

# TEMPLE BETH TIKVAH

## *FIND YOUR Chavurah!*

Chavurot are groups, which promote friendly social fellowship, sharing, caring, and a sense of extended family. Each group has its own direction, activities, and purpose as defined by the group itself. Initially, groups are formed by placing persons of similar lifestyles and interests together. These placements are subject to individual preferences, and are considered temporary. Over time, groups become more permanent and may or may not accept new members.

For your initial placement, please E-mail your completed form to: [erica@tbtoc@aol.com](mailto:erica@tbtoc@aol.com)
